

About Us

OctoPipe: Your Specialist in Paste Pipe Reticulation Supply

OctoPipe is a dedicated supplier of paste pipe reticulation solutions. We provide direct shipping to mine sites from the OEM, along with strategically located storage facilities throughout Africa.

Our Product Offerings

- **A106B Schedule 80 Pipe**
- **Steel Wire Reinforced Composite Pipe (SRCP)**

All of our pipes come equipped with machined grooves for seamless compatibility with Shurjoint and Victaulic high-pressure couplings.

Exclusive Distribution By:

Paste Pipe Solutions

SRCP Paste Pipe

Compatible with:

- Shurjoint EH70- EP
- Victaulic HP-70-ES

SRCP (Steel Wire Re-Enforced Composite Pipe)

- 200mm and 160mm Sizes Available
- Cut Grooved Crimped Steel Ends
- 10MPA, 7MPA, 3.5MPA Available.
- Lightweight, Low Friction and Flexible
- **75% Lighter** than Schedule 80 Steel Pipe
- 3 x Burst Pressure Safety Rating
- EndSeal™ (ES) Groove Compatibility

Code	Length	Diameter	Rating	Weight (kg)
PP-0015	5800 mm L	200 NB	7 MPA	99
PP-0016	3000 mm L	200 NB	7 MPA	61
PP-0017	1500 mm L	200 NB	7 MPA	41
PP-0018	5800 mm L	200 NB	3.5 MPA	78
PP-0019	3000 mm L	200 NB	3.5 MPA	40
PP-0020	1500 mm L	200 NB	3.5 MPA	35

Locations

- 📍 Tanzania - Buzwagi
- 📍 Botswana - Gaborone
- 📍 South Africa - Johannesburg
- 📍 Direct to Minesite

Compliance to: CJ/T189-2007
